1. "This map of China was prepared by the Nationalist Intelligence in Formosa. In addition to tables, the map shows location of Communist troop concentrations in China.

2. I seldom ever saw any maps, and never was in touch with the Intelligence Division of the Nationalist Army. However, it is my opinion, based upon what other officers said of the Nationalist Intelligence Service, that the map is as accurate as could be made at the time, and certainly, it together with the tables does have intelligence value."
